Spring, 2000

Dear Students,

I am pleased to introduce each of you to the story of Winston-Salem State University through the eyes of the student staff who prepared the 2000 edition of the RAM. I hope that you will treasure this publication for it is a personal family album of your college years, the life-long friends you made, that special professor who guided you toward success, and the maturity you gained in the process. Captured on these pages are the days that helped shape your future.

For some, this year's edition is the bridge that will connect your undergraduate experiences with your new role and responsibility as an alumnus or alumna of Winston-Salem State University. The social, intellectual and emotional growth you have experienced here is a strong foundation for the challenges and opportunities that await you.

For others, the 2000 RAM serves as a milestone of the first major step in your collegiate career and leads you toward the next stages of your academic, personal and professional endeavors.

I offer best wishes for the happiest and warmest recollection of your days at WSSU. As you view these pages in years to come, and recall the memories associated with them, please be reminded that these were the times that bound you forever to Winston-Salem State University. No matter where you are, you will never be far from your home.

For those of you graduating, I offer best wishes for success and urge you to become involved in your local alumni chapter. For those of you returning next year, I look forward to seeing you on campus.

Sincerely,

Alvin J. Schexnider

GOODtimes

Do you remember the GOOD times at WSSU??
Hanging out with friends and being just plain silly???
What about the times you were caught off guard
doing something and you hope and pray that nobody
was around to see you?
WELL SMILE YOU'RE ON "RAM" CAMERA!!!!

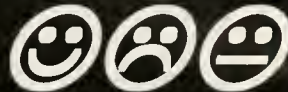

GOODTIMES

Ram Emotions..

Although we do have our "goodtimes" here at WSSU there are times when our emotions take over.... Because we as students know that having our "goodtimes" are okay, but there are also other times that will prove to be important during our days here at WSSU..... We know that it is also important when we.....

...Are deep in thought

OR

don't know whether we are coming or going

...Are acting silly with friends

OR

Simply chillin' out

Sharing a special moment to make memories

OR

Sharing a picture with friends

OR

Sharing a smile with special friends

Winston-Salem State University Style...Spirit...Unity...Tradition

Style...Spirit...Unity...Tradition. You can find them in abundance at Winston-Salem State University. The people, the campus, the curriculum are all illustrative of the continuing pursuit of excellence at WSSU.

Only through immense pride, great potential and unyielding perseverance could a one-room school set on a muddy hillside develop into a vibrant, urban university. In our 200th year, we applaud a great history punctuated by four name changes—from Slater Industrial Academy to Slater Industrial and State Normal School to Winston-Salem Teachers College to now Winston-Salem State University. Lots of names, but the results are the same—EXCELLENCE.

Congratulations Eugene!!

***From God's arms to ours you came a short while ago,
A gift of joy and pride as we watched you grow,
You are a fine young man who deserves the best,
We love and support you -- and to God we leave the rest!!***

Your entire family wishes you a happy and prosperous future!

We wish Grandma Bettie, Granddaddy Sanford, and Grandma Louise could have witnessed your accomplishments. We are thankful Granddaddy Lawrence is able to share in your college achievements.

Continue to keep God first in your life and maintain your knowledge of "who you are". We are so proud of you!!!

We Love You,

Mom and Dad

CONGRATULATIONS NICOLE!!

I HAVE WATCHED YOU GROW FROM A BEAUTIFUL BABY INTO A GORGEOUS AND INTELLIGENT YOUNG LADY. I CAN STILL REMEMBER THE FIRST DAY I TOOK YOU TO NORTH DRIVE SCHOOL TO START KINDERGARTEN IN 1983. YOU WENT IN THAT CLASSROOM READY TO START SCHOOL AND NEVER LOOKED BACK AT YOUR MOM, NOR CRIED WHEN I LEFT YOU. YOU WERE THE SAME WAY WHEN I TOOK YOU UP TO WSSU ON 8-11-96 TO START YOUR COLLEGE LIFE. I STARTED CRYING BEFORE I GOT TO WSSU BECAUSE I REALIZED YOU WERE GOING OFF TO START YOUR ADULT LIFE. I NEVER HAD ANY DOUBT THAT YOU WOULD MAKE IT. I JUST DID NOT LIKE THE THOUGHT OF LOSING MY BABY. YOU WERE ALL THAT I HAD LEFT AFTER YOUR BROTHER DIED DURING YOUR JUNIOR YEAR OF HIGH SCHOOL. HAVING YOU TO LEAN ON HELPED ME GET THROUGH THAT TRIAL & TRIBULATION PERIOD. YOU TOOK THAT TRIAL OF LOSING YOUR BROTHER AND PERSEVERED AND CAME OUT A STRONGER YOUNG LADY. YOUR FAITH IN GOD AND IN YOUR UPRISING HELPED YOU TO OVERCOME THE PEER PRESSURE AND KEEP YOUR EYE ON THE PRIZE GOD HAD WAITING FOR YOU. YOU TOOK THE CRITICISM THAT WAS THROWN AT YOU FOR BEING YOUR OWN PERSON WITH A STRONG MIND, A LEADER INSTEAD OF A FOLLOWER AND BECAME A ROLE MODEL AND INSPIRATION FOR OTHERS. THAT IS SOMETHING THAT I AM VERY PROUD OF YOUNG LADY! YOU ARE EVERYTHING THAT I HOPED YOU WOULD BE AND MORE. CONTINUE TO HOLD YOUR HEAD UP HIGH AND GRASP HOLD OF ALL THE GOOD THINGS THAT GOD HAS IN STORE FOR YOU. REMEMBER GOD IS NOT THROUGH WITH YOU YET. HE IS STILL MOLDING YOU INTO THE WONDERFUL PERSON THAT YOU ARE YET TO BECOME! THE BEST IS YET TO COME. AS YOU REFLECT BACK ON THE YEARS YOU SHARED WITH YOUR BROTHER, GREGORY, ALWAYS REMEMBER HOW HE KNEW YOU WOULD GO ALL THE WAY BECAUSE OF THE STRONG MIND YOU HAD. REMEMBER THOSE AFFECTIONATE HUGS HE GAVE YOU LIKE HE DID ON THE PICTURE OF YOU AND HIM ON THIS PAGE WHEN YOU WERE 1 YEAR OLD AND HE WAS 3 YEARS OLD. REMEMBER THAT HE IS STILL WITH YOU IN SPIRIT. I REALIZED THAT YOU WANTED HIM TO BE HERE IN PERSON FOR THESE SPECIAL EVENTS, BUT GOD HAD SOMETHING ELSE IN STORE FOR GREG. ALWAYS REMEMBER THAT GREG LOVED YOU AND IS WATCHING OVER YOU NOW AND FOREVER. YOU ARE THE FIRST AND ONLY GRANDCHILD THAT HAS GRADUATED FROM COLLEGE WITH A BACHELOR'S DEGREE AND YOUR GRANDMOTHER IS VERY PROUD OF YOU! YOU HAVE BEEN AN INSPIRATION TO BOTH OF US. NEVER DID I EVER THINK MY CHILD COULD TEACH ME SOMETHING, BUT YOU DID!! I LOVE YOU WITH ALL MY HEART NICOLE. IN ALL THY WAYS ACKNOWLEDGE GOD AND HE WILL DIRECT YOUR PATHS. NEVER STOP STRIVING FOR GREATNESS! THE RACE IS NOT GIVEN TO THE SWIFT NOR THE STRONG. BUT TO THOSE WHO ENDURE TO THE END!

LOVE ALWAYS,

MOM, GRANDMA LORINE, AUNT KATIE, BEVERLY & FAMILY

Lord,

Lord

Why did you make me black?
Why did you make me something
that the world wants to hold back?
Black is the color of dirty clothes
The color of graying hands and feet
Black is the color of darkness
The color of the beaten streets

Why did you give me
thick lips, a broad nose,
and kinky hair?
Why did you make me
someone who receives
the hatred stare?

Black is the color of
the bruised eye when
someone is hurt
Black is the color of
darkness
Black is the color of
dirt

How come my bone
structure's so thick?
My lips and cheeks
so high?

How come my eyes are
brown and not the color
of the day light sky?

Why do people
think I'm useless?
How come I feel so used?
Why do people see my skin
and think I should be abused?

Lord I just don't understand.
What is it about my skin?

Why do some people want to hate me
and not know the person within?
Black is what people are "hated"
when others want to keep them away
Black is the color of shadows cast.
Black is the end of day.

Lord you know my white people mistreat me.
And I know this just ain't right.
They don't like my hair
They say I'm too dark or too light
Lord don't you think it's time
for you to make a change?
Why don't you redo creation
and make everyone the same?

God, answered:

Why did I make you Black?

Why did I make you Black?

Get off your knees and look around.
Tell me what do you see?
I didn't make you in the
image of darkness.

I made you in the likeness
of ME!

I made you the color of
coal from which
diamonds are formed.
I made you the color of oil.
The black gold that keeps
people warm.

I made you from the rich,
dark earth that grows the
food you need.
Your color's the same as
the black stallion.

a majestic animal is he.
I didn't make you in the
image of darkness.
I made you in the likeness
of ME!

Your hair is the texture
of lamb's wool.

Such a lovable creature is he.
I am the Shepherd
who tends them.

I am the One who will watch over thee.

You are the color of midnight sky.

I put the stars' glitter in your eyes.

There's a smile hidden behind your pain.

That's why your cheeks are so high.

You're the color of dark clouds forecast.

When I send my strongest weather.

I made your lips full so when you kiss

the one you love they will remember.

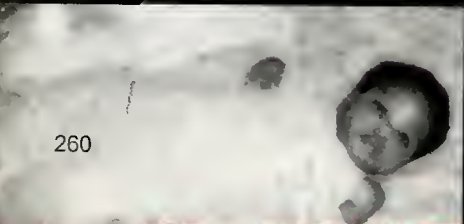

Your stature is strong, your bone structure thick

to withstand the burdens of time.

The reflection you see in the mirror...

The image that looks back is ME, ME.

-Ray-Sell Nabo

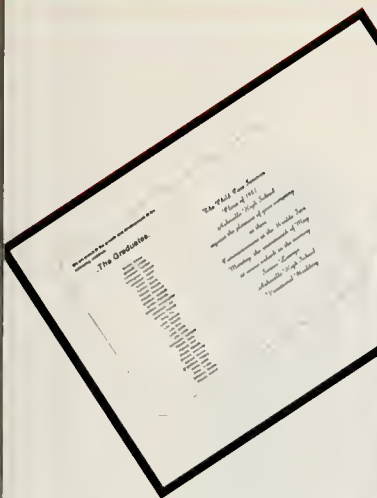

Lord, Lord,

How you give me the strength to understand the things that do not,
give me the patience to deal with the cruelty of the world,
and the love to give to those in need of it.

Congratulations Tiffany!!

To My Darling Tiffany,
We have had some hard times but thanks be to God we have had some good times. And as you go on to be the successful woman that you already are, I want you to always remember Proverbs 31:29-31

Many Women do noble things, but you surpass them all. Charm is deceptive and beauty is fleeting; but a woman who fears the Lord is to be praised. give her the reward she has earned, and let her works bring her praise at the city gate.

With Much Love & Prayers,
Your Mother

We love you Aunt Tiffany and we are so proud of you.

Love,
Tykee and Toddirria

I'm proud of you Tiffany...but can I get My nintendo 64 back!! :)

Love You "Big Sis",

The sun will rise, and then it will shine, but when the fun just begins it sets... Tiffany no matter how many times you rise (and I know you're just beginning), and no matter how bright you shine, and no matter how many trials come...please remember that I will always love you.

With Love Your "BIG" Sister,

Congratulations David L. Lorick

Ben,

There was never any doubt that you wouldn't succeed in life. As long as you put GOD first in everything you do, the sky will be the limit as to what you can have. That means everything!

Love Mom & Dad

To my best "Guy" friend at WSSU,

I am so proud of you Ben...it's been a long journey, but we finally made it (thanks be to God Almighty!!). We've shared some tears, some laughs, and even some disagreements (hey, nobody's perfect), but none of these emotions can explain how we feel when we finally cross that stage on May 13, 2000. I wish you only the best in the future, and remember...where ever you go I'm going @ that's the plan right? And even if I don't go with you...You will always be in my heart!!

Love,

Tiffany Santrina Sanders

To my daughter;

I can hardly believe that this day is here and that you're graduating from college already. It seems like yesterday when I first saw you, first held you and first began to bond with you.

Nikki, you are my firstborn, the eldest, the one that's been with me the longest. We've come such a long way together, and I am so proud to not only call you my daughter, but my friend.

You've made me so proud of you in so many ways, and I know that you'll go on to do great things in this world. With your grandma Mortimers' stubbornness and my determination, you can conquer anything you put your mind to.

Always remember to keep God and family first in your life and in your heart and you will go on to accomplish all of your dreams. I look forward to the day that I see you on that court bench...Your Honor.

Good luck and remember wherever you are and whatever you do that I'm always with you.

Halisha Stanyette Mays

To say that I am proud of you is an under statement. You have come against tremendous obstacles and soared through them like a true champion. The last 3 $\frac{1}{2}$ years we have spent together have been very special and I wouldn't trade them for the world. You serve as a positive influence to me and everyone who comes in contact with you. Always keep those prayers going to the Lord and the rest will take care of itself. Congratulations Ms. Mays and may God continue to bless you with much deserved success.

Love always,
Angelo

Congratulations

"Sugarman"

Areian, I am so proud of you. I've watched you grow from a cute little boy into a very handsome young man. I thank God for and all he had done for you. All the talking I've done has paid off. Just remember what I told you before you left home for college. When things get hard just remember to trust in the Lord with all your heart and lean not to your own un-derstand-ing. In all your ways ac-knowledge him and he will direct your path. (Proverbs 3:5&6) We all love you and are proud of you. Keep your head on straight.

Love You Always

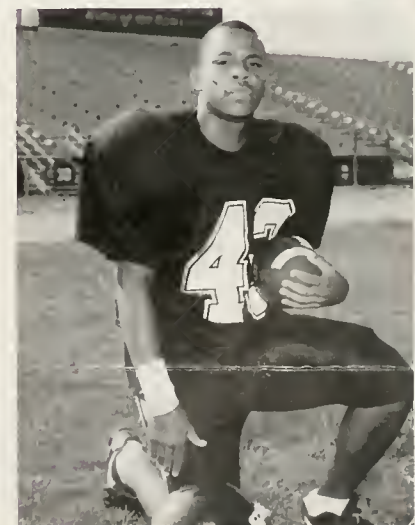

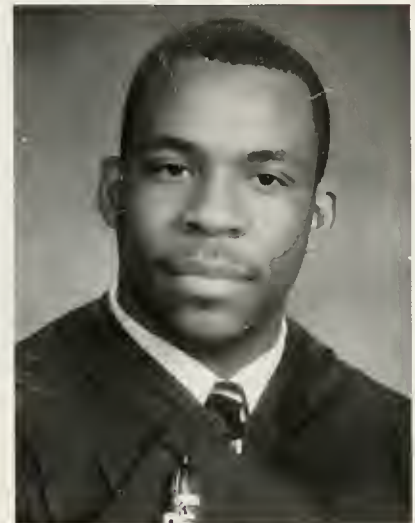

Mom, Ardis, Nicole, Clarence, & Kamonie

A NATIONAL COMPANY

Winston-Salem State University

Beautiful

Beautiful. That's the one word that best describes Winston-Salem, recognized as one of the nations best living areas. A city that offers four distinct and pleasurable seasons, Winston-Salem features a broad selection of indoor and outdoor activities.

Interesting

Organizations, prominent entertainers and a multitude of planned activities keep us busy marking our calendars.

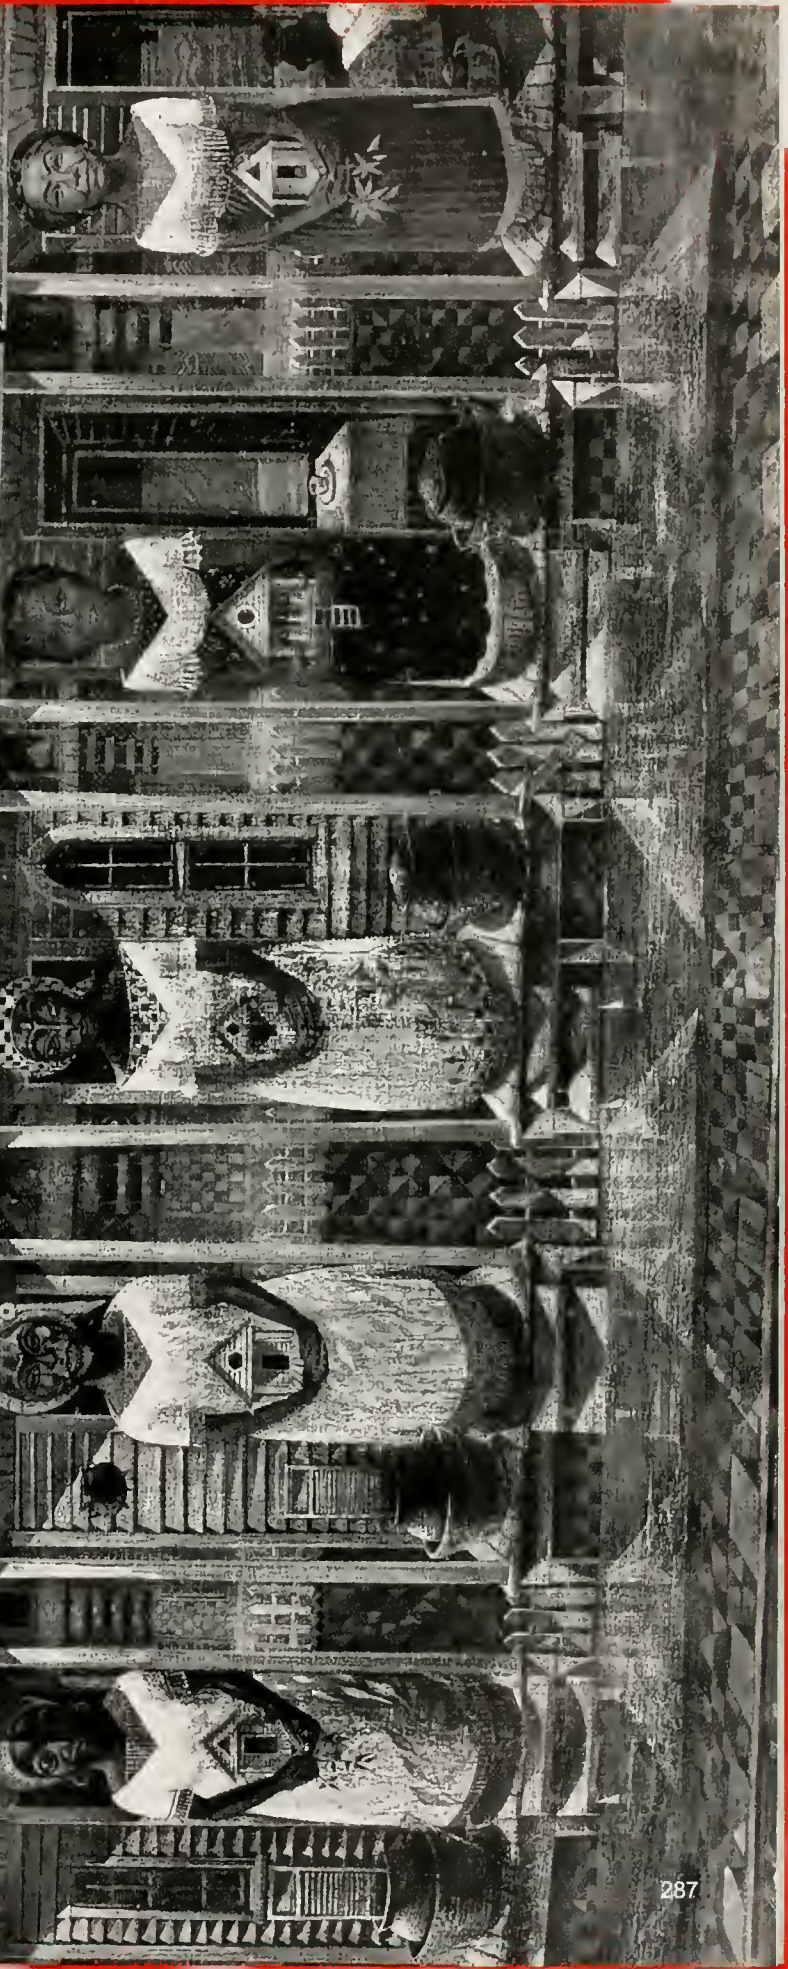

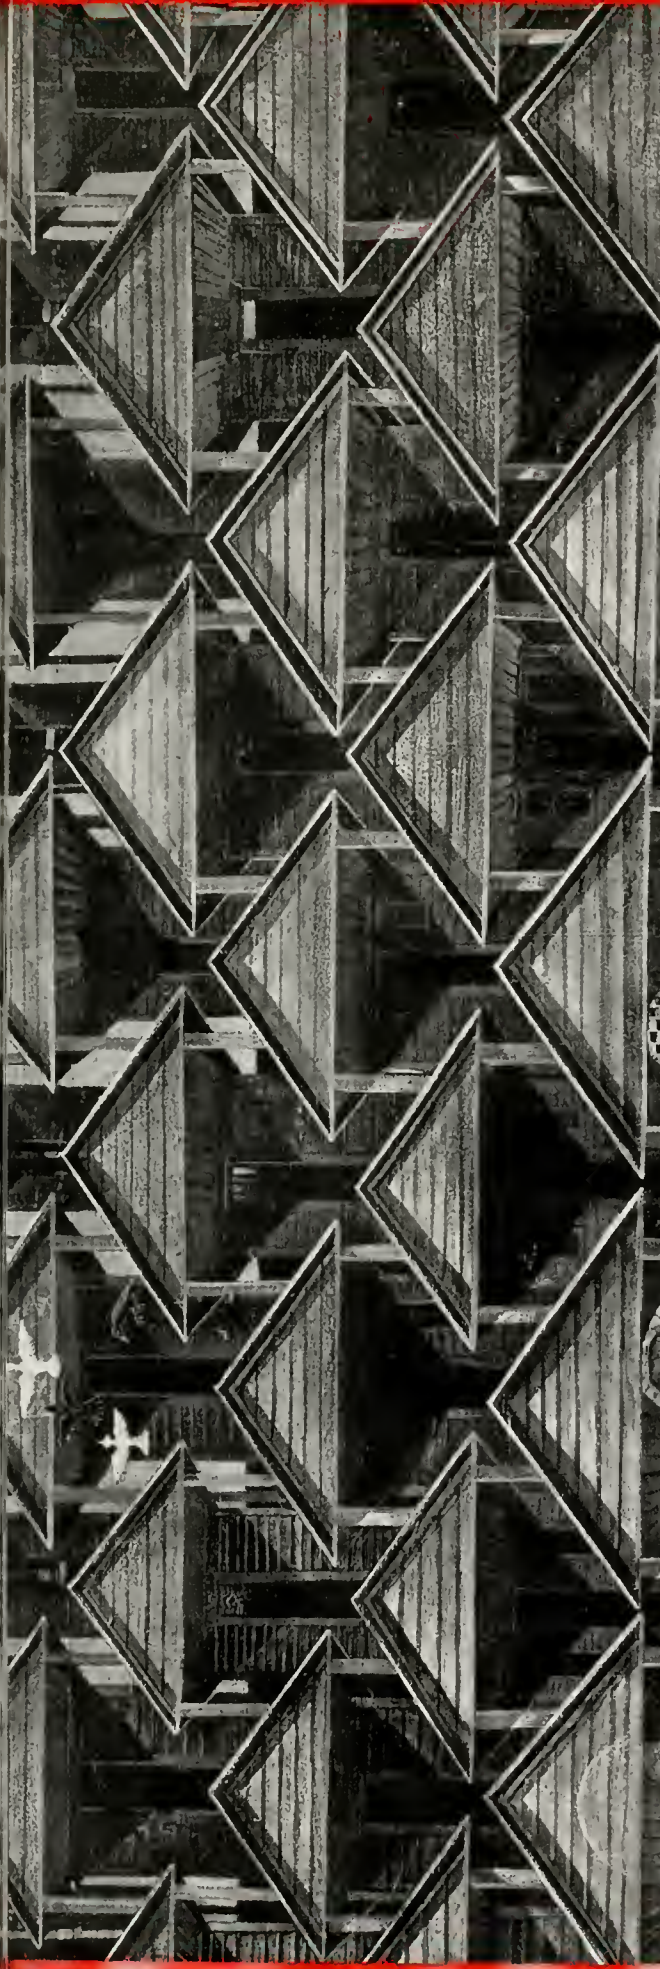

Quality

Quality not quantity is one of the factors of our excellent status. Being that SU is a small, close knit university, it creates a family-like atmosphere with the students and the faculty which is preparing for the new millennium.

Challenging

We are granted with the luxury of individual academic help from our dedicated staff. Learning Resource Centers with up to date learning techniques allows us to seek new horizons in 2000.

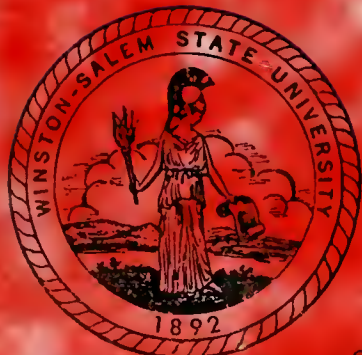

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses and income. The text suggests that a systematic approach to record-keeping is essential for identifying trends and managing the business effectively.

Next, the document addresses the issue of inventory management. It states that a regular physical count of inventory is necessary to reconcile the recorded quantities with the actual stock on hand. Discrepancies between the two can indicate theft, loss, or errors in recording. The text provides guidelines on how to conduct these counts and how to investigate any variances that arise.

The third section focuses on the classification of assets and liabilities. It explains that assets should be categorized into current and non-current, while liabilities should be divided into current and long-term. This classification is crucial for determining the company's liquidity and solvency. The document also touches upon the valuation of these assets and liabilities, noting that fair market value is generally the most appropriate method.

Finally, the document discusses the preparation of financial statements. It outlines the steps involved in calculating net income, determining the cost of goods sold, and preparing the balance sheet and income statement. The text stresses the importance of accuracy and transparency in these statements, as they provide a clear picture of the company's financial performance to stakeholders.
